WOMEN NETWORKING

Remember the meeting at Crabby Joe's on September 9, 1997 at 5:30 PM.

We will be giving out copies of the Mission Statement and discussing the goals and purpose of the organisations.

We will be holding these meetings once a month - 1 month in the morning and the next month in the evening.

The sole purpose of Woman Networking is networking! - Women from all types of backgrounds getting together for the purpose of finding out about each other. The meeting lasts only about an hour to an hour and a half.

Sue Augustine has heard about our group and would like to speak to us free of charge! The date will set in the Fall or early Winter and it will be well publicised.
